

AMMO BOX™

BY  VERIFIED-VENDING.com

A NEW CHANNEL FOR REGULATED PRODUCTS*

* Where allowed by state and local laws

The image shows a white AmmoBox vending machine with a large 43-inch touch screen display in the center. The screen displays the AmmoBox logo and the text 'TOUCH SCREEN TO START'. The machine features a custom graphic skin with an American flag on the top left and a camouflage pattern on the bottom right. A bin door is located below the screen. To the right of the screen, there is a camera for facial matching and a payment processor. The machine is surrounded by callout boxes with orange lines pointing to various features.
